

Vascular Plants of Fort Ord

Abronia latifolia – Yellow sand verbena
Abronia umbellata var. *umbellata* – Pink sand verbena
Acacia baileyana – Bailey acacia, cootamundra wattle
Acacia dealbata – Silver wattle
Acacia longifolia – Sydney golden wattle
Acacia melanoxylon – Blackwood acacia
Acacia retinodes – Everblooming acacia
Acacia verticillata – Star acacia, prickly Moses
Acaena pinnatifida var. *californica* – California Acaena
Acer macrophyllum – Big-leaf maple
Acer negundo var. *californicum* – Box-elder
Achillea millefolium – Common yarrow
Achyryachaena mollis – Blow-wives
Adenostoma fasciculatum – Chamise
Adiantum jordanii – California maiden-hair fern
Aesculus californica – California buckeye
Agave americana – Century plant
Agoseris apargoides var. *apargoides* – Sandhill dandelion
Agoseris apargoides var. *eastwoodiae* – Dunes dandelion
Agoseris grandiflora – Large-flowered agoseris
Agoseris heterophylla – Annual dandelion
Agrostis avenacea – Pacific Islands bent grass
Agrostis capillaris – Colonial bent grass
Agrostis densiflora – California bent grass
Agrostis exarata – Western bent grass
Agrostis pallens – Leafy bent grass
Agrostis stolonifera – Creeping bent grass
Agrostis viridis – Water bent grass
Aira caryophyllea – Silvery hair-grass
Allium hickmanii – Hickman's onion
Allium triquetrum – Three-cornered onion
Allium unifolium – One-leaved onion
Cryptantha muricata var. *jonesii* – Jones's prickly cryptantha
Alopecurus saccatus – Foxtail
Amaranthus albus – Tumbleweed
Amaryllis belladonna – Naked lady, belladonna lily
Ambrosia acanthicarpa – Annual burweed, annual bursage
Ambrosia chamissonis – Beach bur
Ambrosia confertiflora – Weak-leaved burweed
Ambrosia psilostachya – Western Ragweed
*Ammophila arenaria** – European beachgrass
Amsinckia menziesii var. *intermedia* – Common fiddleneck
Amsinckia spectabilis var. *spectabilis* – Seaside fiddleneck
Anagallis arvensis – Scarlet pimpernel
Anagallis minima – Chaffweed
 (*Centunculus minimus* in Jepson)
Anaphalis margaritacea – Pearly everlasting
Anisocarpus madioides – Woodland madia
 (*Madia madioides* in Jepson)
Anthemis cotula – Mayweed, dog fennel
*Anthriscus caucalis** – Bur-chervil
Antirrhinum kelloggii – Kellogg's snapdragon
Antirrhinum multiflorum – Sticky snapdragon
Aphanes occidentalis – Lady's mantle
Apiastrum angustifolium – Wild celery
Apium graveolens – Celery, smallage
Arabidopsis thaliana – Thale cress
Arabis glabra var. *furcatipilis* – Tower mustard
Arabis glabra var. *glabra* – Tower mustard
Arbutus menziesii – Madrone
Arctostaphylos crustacea ssp. *crinita* – Santa Cruz Mountains manzanita
 (*A.tomentosa* ssp. *crinita* in Jepson)
Arctostaphylos crustacea ssp. *crustacea* – Brittle-leaf manzanita
 (*A.tomentosa* ssp. *crustaea* in Jepson)
Arctostaphylos hookeri ssp. *hookeri* – Hooker's manzanita (1B)
Arctostaphylos montereyensis – Toro manzanita, Monterey manzanita (1B)
Arctostaphylos pajaroensis – Pajaro manzanita (1B)
Arctostaphylos pumila – Sandmat manzanita (1B)

Arctostaphylos tomentosa ssp. *tomentosa* – Shaggy-barked manzanita

Arctostaphylos sp. – (Undescribed taxon)

(Not in Jepson)

Arctotheca calendula – Capeweed

Armeria maritima ssp. *californica* – Sea pink, Calif. Thrift

Artemisia biennis – Biennial sagewort

Artemisia californica – California sagebrush

Artemisia douglasiana – Mugwort

Artemisia dracunculus – Tarragon

Artemisia pycnocephala – Beach sagewort

Arum italicum – Italian arum

Arundo donax – Giant reed

Asclepias eriocarpa – Indian milkweed, kotolo

Asclepias fascicularis – Narrowleaf milkweed

Aster chilensis – (see *Symphyotrichum chilense*)

Aster radulinus – (see *Eurybia radulina*)

Aster subulatus var. *ligulatus* – (see *Symphyotrichum subulatum* var. *parvifolium*)

Astragalus gambelianus – Gambel's dwarf locoweed

Astragalus nuttallii var. *nuttallii* – Gray locoweed (4)

Athysanus pusillus – Sand weed

Atriplex californica – California saltbush

Atriplex lentiformis – Quail bush

Atriplex leucophylla – Beach saltbush, sea-scale

Atriplex semibaccata – Australian saltbush

Atriplex triangularis – Spearscale

Avena barbata – Slender wild oat

Avena fatua – Wild oat

Azolla filiculoides – Fern-like azolla

Baccharis douglasii – Marsh baccharis

Baccharis pilularis var. *consanguinea* – Coyote brush

(var. *consanguinea* included in sp. In Jepson)

Baccharis salicifolia – Water-wally, mule fat, seep-willow

Barbarea verna – Winter cress

Bellardia trixago – Mediterranean lineseed

Bellis perennis – English daisy

Berberis pinnata ssp. *pinnata* – California barberry

Berteroa incana – Hoary alyssum

Beta vulgaris – Common beet

Blennosperma nanum – Common blennospermum

Bolboschoenus robustus – Prairie bulrush

(*Scirpus robustus* in Jepson)

Bowlesia incana – Hoary bowlesia

Brassica nigra – Black mustard

Brassica rapa – Field mustard, wild turnip

Briza maxima – Rattlesnake grass

Briza minor – Little quaking grass

Brodiaea coronaria ssp. *coronaria* – Harvest brodiaea

Brodiaea terrestris ssp. *terrestris* – Dwarf brodiaea

Bromus carinatus var. *carinatus* – California brome

Bromus diandrus – Ripgut grass

Bromus hordeaceus – Soft chess

Bromus inermis – Smooth brome

Bromus madritensis ssp. *rubens* – Red brome

Bromus sterilis – Poverty brome

Buddleja davidi – Butterfly bush

Cakile maritima – Sea rocket

Calamagrostis koelerioides – Tufted pinegrass

Calamagrostis rubescens – Pine grass

Calamagrostis stricta ssp. *inexpansa* – Reed grass

Calandrinia breweri – Brewers red maid

Calandrinia ciliata – Red maids

Callitricha heterophylla var. *bolanderi* – Bolander's water starwort

Callitricha heterophylla var. *heterophylla* – Water starwort

Callitricha marginata – California water starwort

Callitropsis macrocarpa – Monterey cypress

(*Cupressus macrocarpa* in Jepson)

Calochortus albus – Globe lily

Calochortus luteus – Yellow mariposa lily

Calochortus uniflorus – Large-flowered star tulip

Calochortus venustus – Butterfly mariposa lily

Calyptidium monandrum – Common calyptidium
Calystegia macrostegia ssp. *cyclostegia* – Coast morning-glory
Calystegia macrostegia ssp. *intermedia* – Island false bindweed
Calystegia purpurata ssp. *purpurata* – Purple-striped morning-glory
Calystegia soldanella – Beach morning-glory
Calystegia subacaulis ssp. *subacaulis* – Hill morning-glory
Camissonia cheiranthifolia ssp. *cheiranthifolia* – Beach primrose
Camissonia contorta – Contorted primrose
Camissonia intermedia –
Camissonia micrantha – Small primrose
Camissonia ovata – Sun cups
Camissonia strigulosa –
Capsella bursa-pastoris – Shepherd's purse
Cardamine californica var. *californica* – Milkmaids
Cardamine californica var. *integrifolia* – Milkmaids
Cardamine oligosperma – Bitter cress
Cardaria draba – (see *Lepidium draba* ssp. *draba*)
Cardionema ramosissimum – Sand mat
Carduus pycnocephalus – Italian thistle
Carduus tenuiflorus – Slender-flowered thistle
Carex barbara – Santa Barbara sedge
Carex brevicaulis – Short-stemmed sedge
Carex globosa – Round-fruited sedge
Carex harfordii – Monterey sedge
Carex pansa – Sand dune sedge
Carex praegracilis – Clustered field sedge
Carex subfuscata – Rusty sedge
Carpobrotus chilensis – Sea fig
Carpobrotus edulis – Hottentot fig
Castilleja affinis ssp. *affinis* – Coast paint-brush
Castilleja ambigua ssp. *insalutata* – Johnny-nip
Castilleja attenuata – Valley tassels
Castilleja densiflora ssp. *densiflora* – Owl's clover
Castilleja exserta ssp. *exserta* – Escobita
Castilleja foliolosa – Woolly Indian paint-brush
Castilleja latifolia – Seaside painted cup, Monterey paint-brush (4)
Ceanothus cuneatus var. *rigidus* – Monterey ceanothus (4)
Ceanothus dentatus – Dwarf ceanothus, cutleaf ceanothus
Ceanothus griseus – Carmel ceanothus
Ceanothus incanus – Coast whitethorn
Ceanothus oliganthus var. *sorediatus* – Jim brush
Ceanothus thyrsiflorus – Blue blossom
Centaurea benedicta – Blessed thistle
 (*Cnicus benedictus* in Jepson)
Centaurea biebersteinii – Spotted knapweed
 (*C. maculosa* in Jepson)
Centaurea calcitrapa – Purple star thistle
Centaurea melitensis – Tocalote
Centaurea solstitialis – Yellow star thistle
Centaurium davyi – (see *Zeltnera davyi*)
Centaureum muehlenbergii/erythraea – Monterey/Common centaury
Centromadia parryi ssp. *congdonii* – Congdon's spikeweed (1B)
 (*Hemizonia parryi* ssp. *congdonii* in Jepson)
Centunculus minimus – (see *Anagallis minima*)
Ceratium arvense – Field chickweed
Ceratium fontanum ssp. *vulgare* – Larger mouse-eared chickweed
Ceratium glomeratum – Mouse-ear chickweed
Ceratophyllum demersum – Hornwort
Chamaesyce maculata – Spotted spurge
Chamaesyce serpens – Round-leaved spurge
Chamaesyce serpyllifolia – Thyme-leaved spurge
Chamomilla suaveolens – (see *Matricaria matricarioides*)
Chasmanthe floribunda – African cornflag
Chenopodium album – Lamb's quarters
Chenopodium ambrosioides – (see *Dysphania ambrosioides*)
Chenopodium berlandieri – Pitseed goosefoot
Chenopodium californicum – California goosefoot, soap plant
Chenopodium dessicatum – Aridland goosefoot
Chenopodium macrospermum – Coast goosefoot
Chenopodium multifidum – (see *Dysphania multifidum*)

Chenopodium murale – Wall goosefoot
Chlorogalum pomeridianum var. *pomeridianum* – Soap plant, amole
Chorizanthe angustifolia – Narrow-leaved spine-flower
Chorizanthe diffusa – Diffuse chorizanthe
Chorizanthe douglasii – Douglas' spine-flower (4)
Chorizanthe pungens var. *pungens* – Monterey spine-flower (1B) FT
 (Var. *pungens* not recognized in Jepson)
Chorizanthe robusta var. *robusta* – Robust spine-flower (1B) FE
 (Var. *robusta* not recognized in Jepson)
Cicendia quadrangularis – American microcalca
Cichorium intybus – Chicory
Cirsium brevistylum – Indian thistle
Cirsium occidentale var. *occidentale* – Cobweb thistle
Cirsium occidentale var. *venustum* – Red thistle, Venus thistle
Cirsium quercetorum – Brownie thistle
Cirsium vulgare – Bull thistle
Cistus incanus – Rock-rose
 (*Cistus creticus* in Jepson)
Cistus salvifolius – Sage-leaved rock-rose
Clarkia epilobioides – Willow-herb godetia
Clarkia lewisii – Lewis' clarkia (4)
Clarkia purpurea ssp. *purpurea* – Winecup clarkia
Clarkia purpurea ssp. *quadrivulnera* – Four-spot clarkia
Clarkia unguiculata – Elegant clarkia
Claytonia parviflora ssp. *parviflora* – Small-flowered claytonia
Claytonia perfoliata ssp. *mexicana* – Miner's lettuce
Claytonia perfoliata ssp. *perfoliata* – Miner's lettuce
Claytonia rubra – Erubescence miner's lettuce
Clematis ligusticifolia – Western virgin's bower, yerba de chiva
Cnicus benedictus* – (see *Centaurea benedicta*)
Collinsia bartsiifolia var. *bartsiifolia* – White Chinese houses
Collinsia heterophylla – Chinese houses
Conicosia pugioniformis – Conicosia
Conium maculatum – Poison hemlock
Convolvulus arvensis – Bindweed
Conyzza bonariensis – South American conyza
Conyzza canadensis – Horseweed
Cordylanthus rigidus ssp. *littoralis* – Seaside bird's-beak (1B) SE
Corethrogynne filanginifolia – Beach aster, sand aster
 (*Lessingia filanginifolia* var. *californica* and *L. f.* var. *filanginifolia* in Jepson)
Cornus sericea ssp. *occidentalis* – Western red dogwood, red osier
Coronopus didymus – (see *Lepidium didymum*)
Cortaderia jubata – Pampas grass, jubata grass
Cortaderia selloana – Pampas grass
Cosmos bipinnatus – Garden cosmos
Cotoneaster lacteus – Cotoneaster
Cotoneaster pannosus – Cotoneaster
 (*Cotoneaster pannosa* in Jepson)
Cotula australis – Australian cotula
Cotula coronopifolia – Brass buttons
Crassula aquatica – Water pygmyweed
Crassula connata – Sand pygmyweed
Crassula tillaea – Pigmyweed
Croton californicus – Croton
Croton setigerus – Turkey mullein, dove-weed
 (*Eremocarpus setigerus* in Jepson)
Crypsis schoenoides – Swamp grass
Crypsis vaginiflora – Sharp-leaved crypsis
Cryptantha clevelandii – Cleveland's Cryptantha
Cryptantha intermedia – Common cryptantha
Cryptantha leiocarpa – Coast cryptantha
Cryptantha micromeres – Minute-flowered cryptantha
Cryptantha microstachys – Tejon cryptantha
Cryptantha muricata var. *jonesii* – Jones's prickly cryptantha
Cupressus macrocarpa – (see *Hesperocyparis macrocarpa*)
+***Cuscuta californica* var. *breviflora*** – (see *Cuscuta occidentalis*)
+***Cuscuta campestris*** – Western field dodder
 (*Cuscuta pentagona* in Jepson)
+***Cuscuta occidentalis*** – Western dodder
 (*Cuscuta californica* var. *breviflora* in Jepson)

+*Cuscuta pentagona* – (see *Cuscuta campestris*)
+§*Cycloloma atriplicifolium** – Ringed pigweed
+*Cynodon dactylon** – Bermuda grass
Cynoglossum grande – Hound's tongue
+*Cynosurus echinatus** – Hedgehog dogtail grass
+*Cyperus eragrostis* – Tall cyperus
+*Cyperus esculentus* – Yellow nut-grass
+*Cyperus fuscus** – Brown Cyperus
+§*Cyperus involucratus** – Umbrella sedge
+*Cyperus squarrosus* – Awned cyperus
+*Cytisus scoparius** – Scotch broom
+§*Cytisus striatus** – Portuguese broom
+*Dactylis glomerata** – Orchard grass
+*Danthonia californica* var. *americana* – California oat-grass
Danthonia californica var. *californica* – California oat-grass
Datisca glomerata – Durango root
+*Datura stramonium** – Jimson weed
Daucus pusillus – Rattlesnake weed
Deinandra corymbosa ssp. *corymbosa* – Coast tarweed
 (*Hemizonia corymbosa* ssp. *corymbosa* in Jepson)
Deinandra fasciculata – Clustered tarweed
 (*Hemizonia fasciculata* in Jepson)
Deinandra increscens ssp. *increscens* – Grassland tarweed
 (*Hemizonia increscens* ssp. *increscens* in Jepson)
+*Deinandra lobbii* – Three-rayed tarweed
 (*Hemizonia lobbii* in Jepson)
+*Delairea odorata** – Cape ivy, German ivy
+*Delphinium californicum* ssp. *californicum* – California larkspur
Delphinium cardinale – Scarlet larkspur
+*Delphinium parryi* ssp. *maritima* – Parry's larkspur
Delphinium parryi ssp. *parryi* – Parry's larkspur
Delphinium patens ssp. *patens* – Coast larkspur
Deschampsia danthonioides – Annual hair-grass
+*Deschampsia elongata* – Slender hair-grass
*Desmazeria rigida** – Stiffgrass
Dichelostemma capitatum ssp. *capitatum* – Blue dicks
Dichondra donelliana – California dichondra
+*Dichondra repens** – Dichondra
+*Digitaria sanguinalis** – Crab-grass
+§*Dipsacus fullonum** – Wild teasel
*Dipsacus sativus** – Fuller's teasel
Distichlis spicata – Salt grass
Dodecatheon clevelandii ssp. *sanctarum* – Padre's shooting star
Draba verna – Vernal whitlow-grass
+*Drosanthemum floribundum** – Magic carpet
Dryopteris arguta – Wood fern
Dudleya caespitosa – Sea lettuce
Dudleya lanceolata – Lance-leaved Dudleya
+*Dysphania ambrosioides** – Mexican tea
 (*Chenopodium ambrosioides* in Jepson)
+*Dysphania multifida** – Cut-leaved goosefoot
 (*Chenopodium multifidum* in Jepson)
+*Echinochloa colona** – Jungle rice
+*Echinochloa crus-galli** – Barnyard grass
+*Ehrharta calycina** – Veldt grass
+*Ehrharta erecta** – Panic veldt grass
+§*Elatine brachysperma* – Short-seeded waterwort
+*Elatine californica* – California waterwort
+*Eleocharis acicularis* – Needle spike-rush
Eleocharis macrostachya – Pale spike-rush
+*Eleocharis parishii* – Parish's spike-rush
Elymus elymoides ssp. *elymoides* – Squirreltail
Elymus glaucus ssp. *glaucus* – Blue wildrye, western ryegrass
Elymus multiseta – Big squirreltail
Emmenanthe penduliflora var. *penduliflora* – Whispering bells
+*Epilobium brachycarpum* – Summer cottonweed
+*Epilobium ciliatum* ssp. *ciliatum* – California willow-herb
+*Epilobium ciliatum* ssp. *watsonii* – San Francisco willow-herb
+*Equisetum arvense* – Common horsetail
+*Equisetum hyemale* ssp. *affine* – Western scouring rush

+*Equisetum laevigatum* – Braun's scouring rush
+*Equisetum telmateia* ssp. *braunii* – Giant horsetail
+*Eragrostis mexicana* – Orcutt's lovegrass
Erechtites glomerata – Cut-leaved fireweed
Erechtites minima – (see *Senecio minimus*)
?*Eremalche exilis* – White mallow
?*Eremalche parryi* ssp. *parryi* – Parry's mallow
Eremocarpus setigerus – (see *Croton setigerus*)
Eriastrum virgatum – Virgate gilia
Ericameria ericoides – Mock heather
Ericameria fasciculata – Eastwood's golden fleece
Erigeron foliosus var. *foliosus* – Leafy daisy
+*Erigeron glaucus* – Seaside daisy
Eriodictyon californicum – Yerba santa
+*Eriodictyon tomentosum* – Woolly yerba santa
+*Eriogonum elongatum* – Long-stemmed buckwheat
+*Eriogonum fasciculatum* var. ?? – California buckwheat
+*Eriogonum giganteum*** – Saint Catherine's lace
Eriogonum gracile var. *gracile* – Slender woolly buckwheat
Eriogonum latifolium – Coast buckwheat
+*Eriogonum nudum* var. *auriculatum* – Naked eriogonum, tibinagua
Eriogonum nudum* var. *pubiflorum
Eriogonum parvifolium – Dune buckwheat, seacliff buckwheat
Eriophyllum confertiflorum* var. *confertiflorum – Golden yarrow
Eriophyllum staechadifolium – Lizard tail
*Erodium botrys** – Long-beaked filaree
+*Erodium brachycarpum** – Filaree
*Erodium cicutarium** – Red-stemmed filaree
*Erodium moschatum** – White-stemmed filaree
Eryngium armatum – Coast eryngo, prickly eryngo
Erysimum ammophilum – Coast wallflower (1B)
***Erysimum menziesii* – Menzies' wallflower**
+*Erysimum menziesii* ssp. *yadonii* – Yadon's wallflower (1B) FE, SE
Eschscholzia californica var. *californica* – California poppy
Eschscholzia californica var. *maritima* – California beach poppy
 (Vars. Of *Eschscholzia* not in Jepson)
+\$*Eucalyptus camaldulensis** – Red river gum
+\$*Eucalyptus citriodora** – Lemon-scented gum
*Eucalyptus globulus** – Blue gum
+\$*Eucalyptus polyanthemos** – Silver dollar gum
+\$*Eucalyptus sideroxylon** – Red ironbark
+\$*Eucalyptus tereticornis** – Forest red gum
+\$*Eucalyptus viminalis** – Manna gum
Eucrypta chrysanthemifolia var. *chrysanthemifolia* – Common Eucrypta
+*Euphorbia lathyris** – Caper spurge
+*Euphorbia oblongata** – Eggleaf spurge
+*Euphorbia peplus** – Petty spurge
+*Euphorbia spathulata* – Reticulate-seeded spurge
+*Eurybia radulina* – Rough-leaved aster
 (Aster *radulinus* in Jepson)
Euthamia occidentalis – Western goldenrod
+*Festuca arundinacea** – Tall fescue, reed fescue
+*Festuca idahoensis* – Blue bunchgrass, Idaho fescue
Filago californica – (see *Logfia filaginoides*)
Filago gallica* – (see *Logfia gallica*)
+*Foeniculum vulgare** – Fennel
Fragaria vesca – Wood strawberry
Frangula californica ssp. *californica* – California coffeeberry
 (*Rhamnus californica* ssp. *californica* in Jepson)
Frangula californica ssp. *tomentella* – Hoary coffeeberry
 (*Rhamnus tomentella* ssp. *tomentella* in Jepson)
Fremontodendron californicum ssp. *californicum* – Fremontia
Fritillaria affinis – Checker lily
+*Fumaria officinalis** – Fumitory
Galium aparine – Goose-grass
Galium californicum ssp. *californicum* – California bedstraw
+*Galium murale** – Tiny bedstraw
+*Galium parisiense** – Wall bedstraw
Galium porrigens var. *porrigens* – Climbing bedstraw
Gamochaeta purpurea – Purple cudweed

(*Gnaphalium purpureum* in Jepson)
Garrya elliptica – Coast silk-tassel
*Gastridium ventricosum** – Nit grass
+*Gazania linearis** – Gazania
*Genista monspessulana** – French broom
+*Geranium bicknellii* – Bicknell's geranium
+*Geranium carolinianum* – Carolina geranium
*Geranium dissectum** – Cut-leaved geranium
+*Geranium molle** – Dove's foot geranium
+*Gilia achilleifolia* ssp. *achilleifolia* – California gilia
Gilia capitata ssp. *abrotanifolia* – Blue field gilia, globe gilia
Gilia clivorum – Purplespot gilia
Gilia tenuiflora ssp. *arenaria* – Dune gilia, sand gilia (1B) FE, ST
Gilia tenuiflora ssp. *tenuiflora* – Slender-flowered gilia
+*Gnaphalium bicolor* – Biolley's cudweed
Gnaphalium californicum – California everlasting
Gnaphalium canescens ssp. *beneolens* – (see *Pseudognaphalium beneolens*)
*Gnaphalium luteoalbum** – Weedy cudweed
Gnaphalium palustre – Lowland cudweed
Gnaphalium purpureum – (see *Gamochaeta purpurea*)
Gnaphalium ramosissimum – Pink everlasting
Gnaphalium stramineum – Cotton-battling plant
Grindelia latifolia
+*Grindelia stricta* var. *platyphylla* – Coast gum plant
Guillenia lasiophylla – California mustard
+\$*Hakea drupacea** – Sweet hakea
+*Hedera helix** – English ivy
+*Hedypnois cretica** – Hedypnois
+*Helenium puberulum* – Sneezeweed
Helianthemum scoparium – Rush-rose
+*Helianthus annuus* – Common sunflower
Heliotropium curassavicum – Chinese pusley
+*Helminthotheca echioides** – Bristly ox tongue
(*Picris echioides* in Jepson)
Hemizonia – (see *Centromadia*, *Deinandra*)
+*Herniaria hirsuta* var. *cineraria** – Gray herniaria
Hesperevax acaulis var. ?? – Dwarf hesperevax
Hesperocnide tenella – Western nettle
Hesperocyparis macrocarpa – Monterey cypress (1B)
(*Cupressus macrocarpa* in Jepson)
Hesperomecon linearis – Narrow-leaved Meconella
(*Meconella linearis* in Jepson)
+*Heterodon rariflorum* – Heterodon
Heteromeles arbutifolia – Toyon, Christmas berry
Heterotheca grandiflora – Telegraph weed
+*Heterotheca sessiliflora* ssp. *echioides* – Hairy golden aster
Heterotheca sessiliflora ssp. *sessiliflora* – Hairy golden aster
*Hirschfeldia incana** – Summer mustard
+*Holcus lanatus** – Velvet grass
+*Holodiscus discolor* – Ocean spray, cream bush
Hordeum brachyantherum ssp. *brachyantherum* – Meadow barley
Hordeum jubatum – Foxtail barley
Hordeum marinum ssp. *gussoneanum** – Mediterranean barley
+*Hordeum murinum* ssp. *glaucum** – Glaucous foxtail
Hordeum murinum ssp. *leporinum** – Barnyard foxtail
+*Hordeum murinum* ssp. *murinum** – Farmer's foxtail
+*Hordeum vulgare** – Common barley
+*Horkelia californica* ssp. *frondosa* – Leafy horkelia
Horkelia cuneata ssp. *cuneata* – Wedge-leaved horkelia
Horkelia cuneata ssp. *sericea* – Coast honey-dew, (1B)
+*Hypericum anagalloides* – Tinker's penny
*Hypericum perforatum** – Klamath weed, St. John's wort
*Hypochaeris glabra** – Smooth cat's ears
*Hypochaeris radicata** – Hairy cat's ears
Iris douglasiana – Douglas' iris
+*Iris pseudacorus** – Yellow flag iris
Isocoma menziesii var. *vernonioides* – Coastal isocomae
+*Isoetes howellii* – Howell's quillrush
+*Isoetes orcuttii* – Orcutt's quillwort
Isolepis carinata – Keeled club rush

- (*Scirpus koilolepis* in Jepson)
+*Isolepis cernua* – Low club rush
(*Scirpus cernuus* in Jepson)
Isolepis koilolepis – Keeled club rush
(*Scirpus koilolepis* in Jepson)
+*Iva axillaris* ssp. *robustior* – Poverty weed
+*Jaumea carnosa* – Fleshy jaumea
+*Juglans californica* – California black walnut
Juncus balticus – Wire rush
Juncus bufonius var. *bufonius* – Common toad rush
+*Juncus bufonius* var. *occidentalis* – Round-fruited toad rush
§*Juncus capitatus** – Capped rush
+*Juncus effusus* – Common rush
+*Juncus falcatus* var. *falcatus* – Sickle-leaved rush
+*Juncus kelloggii* – Kellogg's rush
Juncus occidentalis – Western rush
Juncus patens – Spreading rush
Juncus phaeocephalus var. *phaeocephalus* – Brown-headed rush
Juncus rugulosus – Wrinkled rush
+§*Juncus torreyi* – Torrey's rush
+*Juncus uncialis* – Inch-high dwarf rush
+*Juncus xiphioides* – Iris-leaved rush
+*Kickxia elatine** – Sharp-leaved fluellin
+§*Kniphofia uvaria** – Red-hot poker, torch lily
(not in Jepson)
- Koeleria macrantha* – June grass
+*Koeleria phleoides** – Annual june grass
+*Lactuca saligna** – Willow lettuce
+*Lactuca serriola** – Prickly lettuce
Lagophylla ramosissima – Common hareleaf
+*Lagurus ovatus** – Hare's tail
+*Lamarckia aurea** – Goldentop
+*Lamium amplexicaule** – Giraffe head
+§*Lampranthus coccineus** – Redflush
+§*Lampranthus spectabilis** – Trailing ice plant
Lastarriaea coriacea – Lastarriaea
Lasthenia californica/gracilis – Coast goldfields
+§*Lasthenia conjugens* – Contra Costa goldfields (1B) FE
Lasthenia glaberrima – Smooth lasthenia
Lasthenia glabrata ssp. *glabrata* – Yellow-rayed Lasthenia
+§*Lathyrus angulatus** – Angled pea
+*Lathyrus latifolius** – Perennial sweetpea, everlasting pea
Lathyrus littoralis – Silky beach pea
Lathyrus vestitus var. *vestitus* – Common pacific pea
+§*Lavandula stoechas** – Spanish lavandula
*Lavatera assurgentiflora*** – Malva rosa
+*Lavatera cretica** – (see *Malva pseudolavatera*)
Layia hieracioides – Tall layia
Layia platyglossa – Tidy tips
+*Lemna gibba* – Gibbous duckweed
+*Lemna minuta* – Least duckweed
(*Lemna minuscula* in Jepson)
*Leontodon saxatilis** – Hairy hawkbit
(*Leontodon taraxacoides* ssp. *taraxacoides* in Jepson)
Leontodon taraxacoides ssp. *taraxacoides** – (see *Leontodon saxatilis*)
Lepechinia calycina – Pitcher sage
+*Lepidium didymum** – Lesser wart-cress
(*Coronopus didymus** in Jepson)
+*Lepidium draba* ssp. *draba** – Hoary cress
(*Cardaria draba* in Jepson)
+*Lepidium latifolium** – Perennial pepperweed
Lepidium nitidum var. *nitidum* – Common pepper-grass
*Lepidium strictum** – Wayside pepper-grass
+*Leptochloa fascicularis* – Bearded sprangletop
+§*Leptosiphon androsaceus* – Shower gilia, false baby stars
(*Linanthus androsaceus* in Jepson)
Leptosiphon bicolor – Bicolored linanthus, true baby stars
(*Linanthus bicolor* in Jepson)
Leptosiphon grandiflorus – Large-flowered linanthus (4)
(*Linanthus grandiflorus* in Jepson)

Leptosiphon parviflorus – Common linanthus
(*Linanthus parviflorus* in Jepson)
Leptosiphon pygmaeus ssp. *continentalis* – Pigmy linanthus
(*Linanthus pygmaeus* ssp. *continentalis* in Jepson)
+*Leptospermum laevigatum** – Australian tea tree
Lessingia filaginifolia var. *californica* – (see *Corethrogynne filaginifolia*)
Lessingia filaginifolia var. *filaginifolia* – (see *Corethrogynne filaginifolia*)
Lessingia glandulifera – Common lessingia
Lessingia glandulifera var. *pectinata* – Valley lessingia
Leymus condensatus – Giant ryegrass
Leymus mollis ssp. *mollis* – American dunegrass
+§*Leymus ×multiflorus* – Hybrid ryegrass
Leymus pacificus – Gould's ryegrass
Leymus triticoides – Beardless ryegrass
Lilaea scilloides – Flowering quillwort
+*Limonium sinuatum** – Statice, sea lavender
Linanthus bicolor – (see *Leptosiphon bicolor*)
+*Linanthus dichotomus* – Evening snow
+§*Linanthus androsaceus* – (see *Leptosiphon androsaceus*)
Linanthus grandiflorus – (see *Leptosiphon grandiflorus*)
Linanthus parviflorus – (see *Leptosiphon parviflorus*)
Linanthus pygmaeus ssp. *continentalis* – (see *Leptosiphon pygmaeus* ssp. *continentalis*)
Linaria canadensis – Blue toadflax
+§*Linaria maroccana** – Toadflax, baby snapdragon
+*Linum bienne** – Narrow-leaved flax
Lithophragma affine – Woodland star
+*Lithophragma heterophyllum* – Hill star
+§*Lobelia erinus** – Garden lobelia
*Lobularia maritima** – Sweet alyssum
Loeflingia squarrosa – California loeflingia
Logfia filaginoides – California Filago
(*Filago californica* in Jepson)
Logfia gallica – Narrow-leaved Filago
(*Filago gallica* in Jepson)
*Lolium multiflorum** – Italian rye grass
Lomatium caruifolium var. *caruifolium* – Caraway-leaved parsnip
Lomatium parvifolium – Coast parsnip (4)
Lomatium utriculatum – Common parsnip
+*Lonicera hispidula* – Hairy honeysuckle
Lonicera interrupta – Chaparral honeysuckle
+*Lotus corniculatus** – Bird's-foot trefoil
Lotus heermannii var. *heermannii* – Heermann's lotus
Lotus heermannii var. *orbicularis* – Woolly lotus
Lotus humistratus – Short-podded lotus
Lotus micranthus – Small-flowered lotus
Lotus purshianus var. *purshianus* – Spanish clover
+*Lotus salsuginosus* var. *salsuginosus* – Coastal lotus
Lotus scoparius var. *scoparius* – Deerweed
Lotus strigosus – Bishop's lotus
Lotus wrangelianus – Chile lotus
+*Ludwigia hexapetala* – Showy water primrose
+*Ludwigia peploides* ssp. *peploides* – Yellow water weed
Lupinus albifrons var. *albifrons* – Silver bush lupine
Lupinus arboreus – Yellow bush lupine, tree lupine
Lupinus bicolor – Lindley's annual lupine
Lupinus chamissonis – Silver beach lupine
Lupinus concinnus – Bajada lupine
+*Lupinus hirsutissimus* – Stinging lupine
Lupinus microcarpus var. *microcarpus* – Chick lupine
Lupinus nanus – Sky lupine, Douglas' annual lupine
+*Lupinus succulentus* – Arroyo lupine
Lupinus truncatus – Nuttall's annual lupine
Luzula comosa – Common wood rush
+§*Lyonothamnus floribundus* – Catalina ironwood
*Lythrum hyssopifolia** – Grass poly
Madia exigua – Small tarweed
Madia gracilis – Slender tarweed
Madia madioides – (see *Anisocarpus madioides*)
Madia sativa – Coast tarweed
+*Maianthemum canadense* – Fat Solomon

(*Smilacina racemosa* in Jepson)

+*Maianthemum stellatum* – Slim Solomon

(*Smilacina stellata* in Jepson)

Malacothrix californica – California malacothrix

+*Malacothrix clevelandii* – Cleveland's malacothrix

Malacothrix floccifera – Woolly malacothrix

+§*Malcolmia maritima** – Virginia stock

+*Malva nicaeensis** – Bull mallow

*Malva parviflora** – Cheeseweed

+*Malva pseudolavatera** – Cretan mallow

(*Lavatera cretica* in Jepson)

+*Malva sylvestris** – Cheeseweed

Malvella leprosa – Alkali mallow, white-weed

Marah fabaceus – Man-root, wild cucumber

*Marrubium vulgare** – Horehound

Marsilea vestita ssp. *vestita* – Hairy pepperwort, clover fern

+*Matricaria matricarioides* – Pineapple weed

(*Chamomilla suaveolens* in Jepson)

+*Matthiola incana** – Stock

+§*Maytenus boaria** – Mayten tree

+*Meconella denticulata* – Small-flowered meconella

Meconella linearis – (see *Hesperomecon linearis*)

+*Medicago lupulina** – Black medic

+*Medicago polymorpha** – Bur clover

+*Medicago sativa** – Alfalfa

Melica californica – Western melica

Melica imperfecta – Coast-range melica

Melica torreyana – Torrey's melica

+*Melilotus albus** – White sweetclover

*Melilotus indicus** – Indian melilot, sourclover

+*Mentha arvensis* – Field mint

+*Mentha pulegium** – Pennyroyal

+*Mentha spicata** – Spearmint

+*Mentha x piperita** – Peppermint

Micropus californicus var. *californicus* – Slender cottonweed

+*Micropus californicus* var. *subvestitus* – Slender cottonweed

+§*Microseris acuminata* – Slender microseris

Microseris douglasii ssp. *douglasii* – Douglas' microseris

Microseris elegans – Elegant microseris

Microseris paludosa – Marsh scorzonella (1B)

+*Microsteris gracilis* – Slender phlox

(*Phlox gracilis* in Jepson)

Mimulus aurantiacus – Sticky monkey flower

+*Mimulus floribundus* – Floriferous monkey flower

+*Mimulus guttatus* – Common monkey flower

Mimulus rattanii ssp. *decurtatus* – Santa Cruz County monkey flower (4)

(Ssp. *decurtatus* not in Jepson)

Minuartia californica – California sandwort

Minuartia douglasii – Douglas' sandwort

Minuartia pusilla – Dwarf sandwort

+*Mirabilis jalapa** – Common four o'clock

Monardella undulata – Curly-leaved monardella (4)

Monardella villosa ssp. *villosa* – Coyote mint

+*Montia fontana* – Water chickweed, blinks

+*Muhlenbergia rigens* – Deer grass

Muilla maritima – Common muilla

+§*Muscari botryoides** – Grape hyacinth

+*Myoporum laetum** – Ngaio

+§*Myoporum parvifolium** – Creeping boobialla

+§*Myosotis discolor** – Yellow and blue scorpion-grass

+*Myosotis latifolia** – Forget-me-not

Nassella cernua – Nodding needlegrass

Nassella lepida – Foothill needlegrass

Nassella pulchra – Purple needlegrass

Nasturtium officinale – Watercress

(*Rorippa nasturtium-aquaticum* in Jepson)

Navarretia atracyloides – Holly-leaved navarretia

+*Navarretia hamata* ssp. *leptantha* – Hooked navarretia

Navarretia hamata ssp. *parviloba* – Hooked navarretia

Navarretia intertexta ssp. *intertexta* – Needle-leaved navarretia

Navarretia jaredii – Mitre-fruited navarretia, Paso Robles navarretia (4)
Navarretia mellita – Honey-scented navarretia
Navarretia squarroso – Skunkweed
+§*Nemacladus gracilis* – Slender thread-plant (4)
Nemophila menziesii var. *menziesii* – Baby blue-eyes
+*Nemophila parviflora* var. *austiniae* – Small-flowered nemophila
+*Nemophila parviflora* var. *parviflora* – Small-flowered nemophila
+*Nemophila pedunculata* – Meadow nemophila
+*Nicotiana acuminata* var. *multiflora** – Many-flowered tobacco
+*Nicotiana glauca** – Tree tobacco
+*Nicotiana quadrivalvis* – Indian tobacco
+*Nicotiana sylvestris** – Tobacco
Oemleria cerasiformis – Oso berry
+*Oenanthe sarmentosa* – Pacific oenanthe, American water-lovage
+*Oenothera elata* ssp. *hookeri* – Hooker's evening primrose
+*Olea europaea** – Olive
+*Opuntia ficus-indica** – Mission cactus
Orobanche bulbosa – Chaparral broomrape
+*Orobanche californica* ssp. *californica* – California broomrape
Orobanche fasciculata – Clustered broomrape
+***Oxalis albicans* ssp. *pilosa*** – (see *Oxalis corniculata* ssp. *pilosa*)
Oxalis corniculata ssp. *corniculata** – Hairy wood-sorrel
 (*Oxalis corniculata* in Jepson)
+*Oxalis corniculata* ssp. *pilosa* – Yellow sorrel
 (*Oxalis albicans* ssp. *pilosa* in Jepson)
+***Oxalis laxa**** – (see *Oxalis micrantha*)
+*Oxalis micrantha** – Dwarf wood-sorrel
 (*Oxalis laxa* in Jepson)
*Oxalis pes-caprae** – Bermuda buttercup
Packera breweri – Brewer's butterweed
 (*Senecio breweri* in Jepson)
+*Panicum acuminatum* var. *acuminatum* – Pacific panicum
Papaver californicum – Fire poppy
+*Parietaria judaica** – Spreading pellitory
+*Paspalum dilatatum** – Dallis grass
+*Paspalum distichum* – Knot-grass
Pectocarya linearis ssp. *ferocula* – Slender pectocarya
Pectocarya penicillata – Winged pectocarya
Pedicularis densiflora – Indian warrior
+*Pelargonium* species* – Garden geranium
Pellaea andromedifolia – Coffee fern
Pellaea mucronata var. *mucronata* – Bird's-foot fern
+*Pennisetum clandestinum** – Kikuyu grass
Pentachaeta alsinoides – Tiny pentachaeta
Pentagramma triangularis ssp. *triangularis* – Goldback fern
+*Perideridia gairdneri* ssp. *gairdneri* – Gairdner's yampah (4)
+*Perideridia* sp. – Yampah
Persicaria amphibia – Swamp knotweed, smartweed
 (***Polygonum amphibium* var. *emersum*** in Jepson)
+*Persicaria lapathifolia* – Willow weed
 (***Polygonum lapathifolium*** in Jepson)
+*Persicaria maculosa** – Lady's thumb
 (***Polygonum persicaria*** in Jepson)
+*Persicaria punctata* – Dotted smartweed
 (***Polygonum punctatum*** in Jepson)
+§*Petrorhagia dubia** – Petrorhagia
~~*Petrorhagia prolifera**~~ – *Petrorhagia*
Petunia parviflora – Wild petunia
Phacelia brachyloba – Short-lobed phacelia
Phacelia distans – Wild heliotrope
Phacelia douglasii – Douglas' phacelia
Phacelia grisea – Santa Lucia phacelia
Phacelia malvifolia – Stinging phacelia
+*Phacelia nemoralis* ssp. *nemoralis* – Shade phacelia
Phacelia ramosissima var. *montereyensis* – Monterey branching phacelia
+*Phalaris aquatica** – Harding grass
Phalaris lemmonii – Lemmon's canary-grass
+*Phalaris paradoxa** – Paradox canary-grass
+***Phlox gracilis*** – (see *Microsteris gracilis*)
Pholistoma auritum var. *auritum* – Blue fiesta flower

Pholistoma membranaceum – White fiesta flower
+\$*Phyla nodiflora* var. *incisa* – Lippia
+*Phyla nodiflora* var. *nodiflora* – Lippia
Pickeringia montana var. *montana* – Chaparral pea
+*Picris echooides** – (see *Helminthotheca echooides*)
Pilularia americana – American pillwort
+*Pinus muricata* – Bishop pine
+\$*Pinus pinea** – Italian stone pine
Pinus radiata – Monterey pine
+*Pinus torreyana*** – Torrey pine
+*Piperia elegans* – Elegant rein-orchid
+*Piperia elongata* – Elongate rein-orchid
Piperia michaelii – Michael's rein-orchid
Piperia yadonii – Yadon's rein-orchid
+*Piptatherum miliaceum** – Smilo grass
Plagiobothrys canescens – Valley popcorn flower
Plagiobothrys chorisianus var. *hickmanii* – Hickman's popcorn flower (4)
+*Plagiobothrys collinus* var. *fulvescens* – California popcorn flower
+\$*Plagiobothrys collinus* var. *ursinus* – popcorn flower
+*Plagiobothrys nothofulvus* – Grasslands popcorn flower
+\$*Plagiobothrys stipitatus* var. *stipitatus* – Stipulate popcorn flower
Plagiobothrys tenellus – Slender popcorn flower
Plagiobothrys trachycarpus – Rough-fruited popcorn flower
+*Plagiobothrys undulatus* – Coast popcorn flower
*Plantago coronopus** – Cut-leaved plantain
+*Plantago elongata* – Annual coast plantain
Plantago erecta – California plantain
*Plantago lanceolata** – Buckhorn, English plantain, ribwort
*Plantago major** – Common plantain
Platanus racemosa – Western sycamore
Platystemon californicus – Cream cups
Plectritis congesta – Pink plectritis, sea blush
+*Plectritis macrocera* – White plectritis
+*Poa annua** – Annual bluegrass
+*Poa bulbosa** – Bulbous bluegrass
Poa douglasii – Dune bluegrass
+*Poa howellii* – Howell's bluegrass
Poa secunda ssp. *secunda* – Pine bluegrass
Poa unilateralis – San Francisco bluegrass
?*Pogogyne douglasii* – Douglas' pogogyne
Pogogyne serpylloides – Thyme-leaf pogogyne
Polycarpon depressum – California polycarp
*Polycarpon tetraphyllum** – Four-leaved allseed
Polygala californica – California milkwort
Polygonum amphibium* var. *emersum – (see *Persicaria amphibia*)
Polygonum arenastrum – (see *Polygonum aviculare* ssp. *depressum*)
+*Polygonum aviculare* ssp. *depressum** – Common knotweed, doorweed
(*Polygonum arenastrum* in Jepson
+*Polygonum lapathifolium* – (see *Persicaria lapathifolia*)
Polygonum paronychia – Beach knotweed
Polygonum persicaria – (see *Persicaria maculosa*)
+*Polygonum punctatum* – (see *Persicaria punctata*)
+*Polypodium californicum* – California shield fern
+*Polypogon interruptus** – Beard grass
+*Polypogon maritimus** – Maritime beard grass
+*Polypogon monspeliensis** – Rabbitfoot grass
Populus balsamifera* ssp. *trichocarpa – (see *Populus trichocarpa*)
Populus trichocarpa – Black cottonwood
(*Populus balsamifera* ssp. *trichocarpa* in Jepson)
+*Portulaca oleracea** – Purslane
+*Potamogeton nodosus* – Long-leaved pondweed
+*Potentilla anserina* ssp. *pacifica* – Pacific silver-weed
Potentilla glandulosa ssp. *glandulosa* – Sticky cinquefoil
Potentilla rivalis – River cinquefoil
+*Prunus dulcis** – Almond
+*Prunus ilicifolia* ssp. *lyonii* – Catalina cherry
+*Prunus virginiana* var. *demissa* – Western choke-cherry
Pseudognaphalium beneolens – Fragrant everlasting
(*Gnaphalium canescens* ssp. *beneolens* in Jepson
+*Pseudognaphalium microcephalum* – White everlasting

- (*Gnaphalium canescens* ssp. *microcephalum* in Jepson)
Psilocarphus brevissimus var. *brevissimus* – Dwarf woolly-heads
+*Psilocarphus chilensis* – Round woolly marbles
(*Psilocarphus tenellus* var. *globiferous* in Jepson)
+*Psilocarphus tenellus* var. *globiferous* – (see *Psilocarphus chilensis*)
Psilocarphus tenellus – Slender woolly-heads
(*Psilocarphus tenellus* var. *tenellus* in Jepson)
Psilocarphus tenellus var. *tenellus* – (see *Psilocarphus tenellus*)
Pteridium aquilinum var. *pubescens* – Western bracken fern
Pterostegia drymariooides – Pterostegia
+*Pyracantha (koidzumii)** – (Formosa) firethorn
Quercus agrifolia var. *agrifolia* – Coast live oak, encina
Quercus chrysolepis – Maul oak, canyon live oak
+*Quercus garryana* var. *garryana* – Oregon oak
+*Quercus lobata* – Valley oak, roble
+*Quercus palmeri* – Palmer oak
+*Quercus wislizenii* var. *frutescens* – Shrubby interior live oak
+*Quercus wislizenii* var. *wislizenii* – Interior live oak
+*Rafinesquia californica* – California chicory
Ranunculus aquatilis var. *capillaceus* – Water buttercup
Ranunculus californicus – California buttercup
Ranunculus hebecarpus – Downy buttercup
+*Ranunculus lobbii* – Lobb's aquatic buttercup (4)
+*Ranunculus muricatus** – Prickle-fruited buttercup
+*Raphanus raphanistrum** – Jointed charlock
*Raphanus sativus** – Wild radish
+§*Rhamnus alaternus** – Italian buckthorn
(not in Jepson)
Rhamnus californica* ssp. *californica – (see *Frangula californica* ssp. *californica*)
Rhamnus crocea – Redberry
Rhamnus tomentella* ssp. *tomentella – (see *Frangula californica* ssp. *tomentella*)
+*Rhus* sp.* – Sumac
Ribes divaricatum var. *pubiflorum* – Straggly gooseberry
Ribes malvaceum var. *malvaceum* – Chaparral currant
+*Ribes sanguineum* – Pink flowering currant
Ribes speciosum – Fuchsia-flowered gooseberry
Rorippa curvisiliqua – Western yellow cress
Rorippa nasturtium-aquaticum* – (see *Nasturtium officinale*)
+*Rorippa palustris* var. *occidentalis* – Marsh yellow cress
Rosa californica – California wild rose
+*Rubus discolor** – Himalayan blackberry
Rubus ursinus – California blackberry
*Rumex acetosella** – Sheep sorrel
+*Rumex conglomeratus** – Green dock, clustered dock
*Rumex crispus** – Curly dock
+*Rumex maritimus* – Golden dock
+*Rumex pulcher** – Fiddle dock
Rumex salicifolius var. *salicifolius* – Willow dock
+*Rumex salicifolius* var. *transitorius* – Willow dock
+§*Rumex stenophyllus** – Narrow-leaf dock
+*Rupertia physodes* – California tea
*Sagina apetala** – Sticky pearlwort, dwarf pearlwort
+*Sagina decumbens* ssp. *occidentalis* – Western pearlwort
+*Salix exigua* – Sandbar willow, narrow-leaved willow
+*Salix laevigata* – Red willow
Salix lasiandra var. *lasiandra* – Shining willow
(*Salix lucida* var. *lasiandra* in Jepson)
Salix lasiolepis – Arroyo willow
Salix lucida* var. *lasiandra – (see *Salix lasiandra* var. *lasiandra*)
+*Salsola tragus** – Russian thistle, tumbleweed
Salvia columbariae – Chia
Salvia mellifera – Black sage
Sambucus mexicana – (see *Sambucus nigra* ssp. *caerulea*)
Sambucus nigra ssp. *caerulea* – Blue elderberry
(*S. mexicana* in Jepson)
Sanguisorba minor ssp. *muricata** – Garden burnet
Sanicula arctopoides – Footsteps-of-spring
+*Sanicula bipinnata* – Poison sanicle
+*Sanicula bipinnatifida* – Purple sanicle, shoe buttons
Sanicula crassicaulis – Gambleweed, Pacific sanicle

+*Sanicula hoffmannii* – Hoffmann's sanicle (4)
Sanicula laciniata – Coast sanicle
Satureja douglasii – Yerba buena
Saxifraga californica – California saxifrage
+*Scandix pecten-veneris** – Shepherd's needle
+*Schinus molle** – Peruvian pepper tree
*Schismus barbatus** – Schismus
+§*Schizachyrium scoparium** – Little bluestem
+*Schoenoplectus acutus* – Common tule
 (*Scirpus acutus* in Jepson)
+*Schoenoplectus americanus* – Three square
 (*Scirpus americanus* in Jepson)
+*Schoenoplectus californicus* – California Tule
 (*Scirpus californicus* in Jepson)
+*Schoenoplectus pungens* – Common threesquare
 (*Scirpus pungens* in Jepson)
 (*Scirpus robustus* in Jepson)
+*Scirpus acutus* – (see *Schoenoplectus acutus*)
+*Scirpus americanus* – (see *Schoenoplectus americanus*)
+*Scirpus californicus* – (see *Schoenoplectus californicus*)
+*Scirpus cernuus* – (see *Isolepis cernua*)
Scirpus koilolepis – (see *Isolepis carinata*)
+*Scirpus microcarpus* – Paniced bulrush, small-fruited bulrush
+*Scirpus pungens* – (see *Schoenoplectus pungens*)
+*Scirpus robustus* – (see *Bolboschoenus robustus*)
+§*Scleranthus annuus* ssp. *annuus** – Knawel
Scrophularia californica ssp. *californica* – Bee plant
Scutellaria tuberosa – Dannie's skullcap
Senecio aronicoides – California butterweed
Senecio breweri – (see *Packera breweri*)
*Senecio glomeratus** – Cut-leaved fireweed
 (*Erechtites glomerata* in Jepson)
Senecio mikanioides – (see *Delaria oderata*)
*Senecio minimus** – Coast fireweed
 (*Erechtites minima* in Jepson)
+§*Senecio sylvaticus** – Butterweed
*Senecio vulgaris** – Common groundsel
+*Sequoia sempervirens* – Coast redwood
+*Setaria gracilis* – Knot-root bristlegrass
Sidalcea malviflora ssp. *malviflora* – Checker bloom
+*Silene antirrhina* – Snapdragon catchfly
*Silene coniflora** – Many-nerved catchfly
 (*Silene multinervia* in Jepson)
*Silene gallica** – Windmill pink
Silene multinervia – (see *Silene coniflora*)*
*Silybum marianum** – Milk thistle
+*Sisymbrium irio** – London rocket
+*Sisymbrium officinale** – Hedge mustard
+*Sisymbrium orientale** – Oriental mustard
Sisyrinchium bellum – Blue-eyed grass
+*Smilacina racemosa* – (see *Maianthemum racemosum*)
Smilacina stellata – (see *Maianthemum stellatum*)
+*Solanum americanum* – Small-flowered nightshade
+*Solanum douglasii* – Douglas' nightshade
+*Solanum elaeagnifolium** – Silverleaf nightshade
Solanum umbelliferum – Blue witch
Solidago californica – (see *Solidago velutina* ssp. *californica*)
Solidago velutina ssp. *californica* – California goldenrod
 (*Solidago californica* in Jepson)
*Soliva sessilis** – Common soliva
Sonchus asper ssp. *asper** – Prickly sow thistle
*Sonchus oleraceus** – Common sow thistle
+*Sparganium eurycarpum* ssp. *eurycarpum* – Broad-fruited bur-reed
+*Spartium junceum** – Spanish broom
*Spergula arvensis** – Spurry, stickwort, starwort
+*Spergularia bocconi** – Baccone's sand spurry
Spergularia macrotheca var. *macrotheca* – Large-flowered sand spurry
*Spergularia rubra** – Purple sand spurry
+*Spergularia villosa** – Villous sand spurry
Spiranthes porrifolia/romanzoffiana – Western/ Hooded ladies' tresses

Stachys ajugoides var. *ajugoides* – Bugle hedge-nettle
Stachys bullata – Wood mint, hedge-nettle
+*Stebbinsoseris heterocarpa* – Derived microseris
*Stellaria media** – Common chickweed
Stellaria nitens – Shiny chickweed
+*Stephanomeria elata* –
+*Stuckenia pectinata* – Fennel-leaved pondweed
 (*Potamogeton pectinatus* in Jepson)
Stylocline gnaphaloides – Woolly stylocline, everlasting nest straw
+*Symporicarpos albus* var. *laevigatus* – Common snowberry
Symporicarpos mollis – Creeping snowberry
Symphyotrichum chilense – Common California aster
 (*Aster chilensis* in Jepson)
+§*Symphyotrichum subulatum* var. *parvifolium* –
 (*Aster subulatus* var. *ligulatus* in Jepson)
+*Taeniatherum caput-medusae** – Medusa-head
+*Taraxacum officinale** – Common dandelion
+*Tauschia hartwegii* – Hartweg's tauschia
+§*Teesdalia nudicaulis** – Shepherd's cress
 (not in Jepson)
*Tetragonia tetragonoides** – New Zealand spinach
+*Thalictrum fendleri* – Fendler's meadow-rue
Thysanocarpus curvipes – Hairy fringe pod
+*Thysanocarpus laciniatus* – Smooth fringe pod
+*Torilis arvensis** – Field hedge-parsley
*Torilis nodosa** – Knotted hedge-parsley
Toxicodendron diversilobum – Poison oak
Toxicoscordion fremontii – Fremont's star lily
 (*Zigadenus fremontii* in Jepson)
*Tragopogon porrifolius** – Salsify, oyster plant
+§*Tribolium obliterum** – (South African grass)
 (not in Jepson)
+*Tribulus terrestris** – Puncture-vine
Trichostema lanceolatum – Vinegar weed
+*Trifolium albopurpureum* var. *dichotomum* – Rancheria clover
*Trifolium angustifolium** – Narrow-leaved clover
+*Trifolium arvense** – Rabbitfoot clover
Trifolium barbigerum var. *barbigerum* – Colony clover, bearded clover
+*Trifolium bifidum* var. *bifidum* – Pinole clover
Trifolium bifidum var. *decipiens* – Pinole clover
Trifolium buckwestiorum – Santa Cruz clover (1B)
+*Trifolium campestre** – Hop clover
Trifolium ciliolatum – Tree clover
Trifolium depauperatum var. *amplectens* – Pale sack clover
+*Trifolium depauperatum* var. *truncatum* – Red sack clover
*Trifolium dubium** – Shamrock, little hop clover
+*Trifolium fragiferum** – Strawberry clover
+§*Trifolium glomeratum** – Clustered clover
Trifolium gracilentum var. *gracilentum* – Pinpoint clover
+*Trifolium hirtum** – Rose clover
+*Trifolium hybridum** – Alsike clover
+*Trifolium incarnatum** – Crimson clover
Trifolium macraei – Double-headed clover
Trifolium microcephalum – Maiden clover
+*Trifolium microdon* – Valparaiso clover
+*Trifolium oliganthum* – Few-flowered clover
+*Trifolium polyodon* – Pacific Grove clover (1B)
 (*T. variegatum* phase 4 in Jepson)
*Trifolium pratense** – Red clover
*Trifolium repens** – White clover
+§*Trifolium retusum** – Teasel clover
 (not in Jepson)
*Trifolium subterraneum** – Subterranean clover
+§*Trifolium suffocatum** – Suffocated clover
 (not in Jepson)
+§*Trifolium tomentosum** – Tomentose clover
 (not in Jepson)
Trifolium variegatum – White-tipped clover
Trifolium willdenovii – Tomcat clover
Triodanis biflora – Venus' looking glass

Triphysaria eriantha ssp. *eriantha* – Johnny-tuck, butter and eggs
Triphysaria pusilla – Dwarf owl's clover
 +*Triphysaria versicolor* ssp. *versicolor* – Smooth owl's clover
Triteleia hyacinthina – White brodiaea
Triteleia ixioides ssp. *ixioides* – Coast pretty face, golden brodiaea
 +*Tropaeolum majus** – Garden nasturtium
 +*Tropidocarpum gracile* – Dobie pod
 +*Typha angustifolia* – Narrow-leaved cat-tail
Typha latifolia – Broad-leaved cat-tail
 +*Ulmus minor** – English elm
Uropappus lindleyi – Lindley's microseris, silver puffs
 +*Urtica dioica* ssp. *holosericea* – Hoary nettle
 +*Urtica urens** – Dwarf nettle
Vaccinium ovatum – Evergreen huckleberry
 +*Verbena bracteata* – Bracted vervain
Verbena lasiostachys var. *lasiostachys* – Western vervain
 +*Verbena lasiostachys* var. *scabrida* – Robust vervain
 +§*Verbena litoralis** –
 +*Veronica anagallis-aquatica** – Water speedwell
 +*Veronica arvensis** – Corn speedwell
Veronica peregrina ssp. *xalapensis* – Purslane speedwell
 +*Veronica persica** – Persian speedwell
Vicia americana var. *americana* – American vetch
*Vicia benghalensis** – Purple vetch
 +*Vicia gigantea* – Giant vetch
 +*Vicia hassei* – Hasse's vetch
Vicia ludoviciana var. *ludoviciana* – Slender vetch
Vicia sativa ssp. *nigra** – Smaller common vetch, narrow-leaved vetch
 +*Vicia sativa* ssp. *sativa** – Common vetch, spring vetch
 +*Vicia villosa* ssp. *varia** – Woolly vetch
 +*Vinca major** – Periwinkle
Viola adunca ssp. *adunca* – Western dog violet
Viola pedunculata – Johnny jump-up
 +*Vulpia bromoides** – Six-week fescue
